Mike,

We wanted to let you know how very pleased we were with the work you did on our 2005 Odyssey. It certainly doesn't look like it had been in accident. In addition, we are grateful for how easy you made the whole process for us, and that you were able to repair the car in time for our vacation. Your expert workmanship and professional management are a winning combination that produces happy, satisfied customers like us.

Joe and Carol Mutschler
